

## FCC Supplier's Declaration of Conformity (SDoC)

We, Juniper Systems Inc., declare under our sole responsibility that the product:

Product Name: Mesa Pro  
Trade Name: Juniper Systems  
Model Number: ST1

was tested for conformity to the applicable FCC rules.

The product complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.
