

# Release Notes

## OS Build 1.0.1-20210324

### For Mesa 3 Rugged Tablets Running the Android Operating System

These notes include important information for our Mesa 3 customers regarding the most recent release of the Android operating system.

Documentation and software updates are located on our website here: <https://www.junipersys.com/support>.

#### What's New

- Added the ability to immediately use a unit with a depleted battery when the unit is plugged in to a charger.

#### Updates

- Latest security updates
- Various stability improvements from Google

#### Resolved Issues

- If touchscreen has been disabled and the unit suspended, the touchscreen will still be disabled after the unit resumes.
