

# Non-incendive Mesa 3 Rugged Tablet

## Non-incendive Approval

The non-incendive Mesa 3 Rugged Tablet™ from Juniper Systems, Inc. is Intertek Laboratory approved Non-Incendive Class I, Class II, Class III Division 2.

The non-incendive Mesa 3 (model MS3 and MS3A Series), may be used in hazardous locations where ignitable concentrations of flammable gases, vapors or liquids are not part of the normal environment, but can become so under unusual circumstances.

## WARNING – EXPLOSION HAZARD – In Hazardous Locations:

- Do not dock the Mesa 3
- Do not change or charge batteries
- Do not insert or remove cards
- Do not connect or disconnect any device or cable

In hazardous locations, the battery door must be in place as indicated below:

## Read This Document

Read this document to learn how to safely operate the non-incendive Mesa 3 Rugged Handheld in potentially hazardous locations.

This addendum is a supplement to the Mesa 3 Owner's Manual.

*Note: The Mesa 3 Owner's Manual is available on the Mesa 3 and on our website at [www.junipersys.com/support/mesa-3/documentation](http://www.junipersys.com/support/mesa-3/documentation).*

## Avertissement – Risque D'Explosion – Dans des zones dangereuses:

- N'amarrez pas l'unité, ne changez pas et ne chargez pas les batteries, n'insérez et ne retirez pas de cartes et n'établissez ni ne rompez aucune connexion
- Les caches de protection des ports et des batteries doivent toujours rester installés

## WARNING – EXPLOSION HAZARD – Servicing:

Substitution of components may impair suitability for Classes I, II, III Division 2.

## Avertissement – Risque D'Explosion –

La substitution de composants peut rendre ce matériel inacceptable pour les emplacements de Classes I, II, III Division 2.

## Battery Pack

Only use approved battery packs: Excell Battery 2EXL7540 (JSPN: 28000).

## Using the Mesa 3 Rugged Tablet in a Hazardous Location

The rules (warnings) that follow must be followed to maintain the Intertek Laboratory approved non-incendive standard and to prevent the possibility of serious injury.
